# ErgoSelect™ SEATING RANGE

Ergonomic seating at its best!

ErgoSelect™, a superior range of ergonomic office chairs. Extensive testing, research and trials have led to the development of the ErgoSelect™ range, designed with the health and well being of the user in mind.

One of the unique features of ErgoSelect™ is the availability of ergonomic choices and customised options which allow the user to style a chair to their personal seating requirements and enjoy an enhanced seating experience.

ErgoSelect™ chairs are fully upgradeable, with a selection of interchangeable component options.

# ErgoSelect™ CHAIRS... FOR MULTIPLE APPLICATIONS

AFRDI LEVEL 6

The entire ErgoSelect™ range shown in this brochure has AFRDI 6 accreditation for severe commercial use, and conforms to AS/NZS4438-1997, ensuring you are purchasing a quality product, designed to last.

“ ErgoSelect™ chairs have been carefully designed with the user in mind.

You can easily adjust the chair to suit your working style! ”

“Quality you can rely on”

## Lumbar Pump

The pump up lumbar support is one of the most sought after features in the ErgoSelect™ range. Easily operated from the seated position, this give you the ability to actually change the shape of the backrest. Added to the other standard adjustments on the chair, it takes personal customisation to a new level.

# Ergonomic Opinions Vary – so do ErgoSelect™ chairs

## SIT RECLINED

This provides great back support, and it's a good idea to use a footrest when sitting reclined.

## SIT UP STRAIGHT

This is in all the Ergonomic books - knees, hips, elbows all at 90 degrees or just over. You will need to use all the chair adjustments to set this up correctly.

## SIT FORWARD

A very natural and comfortable position. For those of us that have found ourselves sitting on the front edge of our seats, with our knees low, just so we can stretch our back.

# SPARK HIGH BACK HEAVY DUTY CHAIR

This popular model of the ErgoSelect™ range has now been tested and certified to the 160kg AFDRI 142 Multi-shift load rated test.

This makes the Spark High Back Heavy Duty chair a genuine heavy duty, multi-shift, intensive use chair.
