

Monet TV Easel

The Monet TV Easel is a stylish solution to mount a big screen TV without drilling into the wall, making it perfect for apartments or any rental accommodation.

The Monet TV Easel is supplied with integrated cable management to keep power cords discreetly organised and out of sight. An anti-tip mechanism to ensure child safety is also included. With a 180° swivel design, screen view is never compromised. The Monet TV Easel is simple and easy to assemble.

A sleek and modern TV stand with cable management.
