

## Uplifting Zip Spiral Cable Tidy

**Flexible cable management tube made of durable polyethylene, abrasion resistant to close and protect computer electrical cables and cords.**

An easy and convenient way to manage desktop cables. The Uplifting cable tidy bundles multiple cables together, reducing clutter for a cleaner desktop.

The uplifting cable tidy comes with a cable installation clip which allows multiple cables to be quickly and easily bundled within the cable cover. The zip spiral cable tidy is 1-metre-long. Can easily be cut to shorter lengths if required. Designed for home and office.

### Capabilities

- Nominal outside diameter = 28mm
- Thickness = 1.5mm
- Maximum cable bundle diameter = 24mm
- Length = 1000mm
- Working Temperature = -30°C to 100°C
- Melt Point = 250°C

### Features

- Polyethylene
- Cable clip allows multiple cables to be tidied
- ROHS environmental certification
- Quick and simple to install (Includes tool for quick assembly)

### Options

- Available in White, Black or Grey.
